Driving instructions to Olkiluoto from Rauma and Pori

To get to Olkiluoto from Rauma, first take the road towards Pori (main road 8) and after about 7 kilometres you will see the sign 'Olkiluoto', turn left at the intersection. If you are coming from Pori, take the road 8 towards Rauma and drive for about 40 kilometres and you will see the 'Olkiluoto' sign, turn right at the intersection. Now drive for about 14 kilometres after which you will see an open gate you can just drive through. Depending on where in Olkiluoto you are going, either:

- Shortly after the gate turn right at the sign 'ONKALO' and again turn right to come to the gate of the **ONKALO research facility**
- After about a kilometre from the gate turn left at the sign 'Olkiluoto Visitor Centre' and follow the road that leads you to the **Olkiluoto Visitor Centre**
- Keep going straight after driving through the gate for less than 2 kilometres to come to the main gate of Olkiluoto nuclear power plant area if you are coming to the **Posiva office**. You have to sign in at the main gate before you can drive to the office. You will get detailed driving instructions after signing in.

Driving instructions to Vuojoki mansion

From Pori: When coming to Eurajoki, turn right (to Auvintie) from the same intersection where you would turn to the centre of Eurajoki. There is also a sign, 'Vuojoen kartano'. Drive for 4 kilometres and turn left at the 'Vuojoen kartano' sign (to Kartanontie). Now you should see the mansion ahead of you. Drive past the mansion, the parking place for visitors are at the other side of the mansion.

From Rauma and Turku: Just before the intersection to Eurajoki, turn left at the signs 'Vuojoen kartano' and 'Linnamaa'. Drive for 4 kilometres and turn right at the 'Vuojoen kartano' sign (to Kartanontie). Now you should see the mansion ahead of you.
